Vision Consultancy and Ulla Mikkelsen

From March 2007 – January 2008 Ulla Mikkelsen from Vision Consultancy (Business Strategy) Ltd. has worked as external consultant for Recyclecartridge.org developing the internal and external business structure of Recyclecartridge.org. Her consultancy work has focused on strategic business development, developing Recyclecartridge.org strategic platform and teambuilding.

We have been very impressed with her management style and it is something for ALL of us to learn from. I am especially impressed in her report writing, management style conversation and financial analysis week to week to assess Recyclecartridge.org performance. The different kind of reports that I have received provide me with an invaluable insight into the progress of Recyclecartridge.org.

Ulla Mikkelsen has performed excellently and done an outstanding consultancy job for Recyclecartridge.org. She has also coached the other business heads in the group in strategic business planning and set up different kind of strategic business plan training programs for the heads.

We will not hesitate to use Vision Consultancy and Ulla Mikkelsen expertise again, and we give her our best recommendations.
